

To whom it may concern,

We have used Staff Direct 4 U to support us with our recruitment needs for approx. 8 years at our Hub based in Nuneaton. They have supplied us with large volumes of warehouse staff many of which we have been taken on permanent throughout the years and are now an integral part of our operations team.

We have always found Staff Direct 4 U to be honest, open and transparent. They have an excellent understanding of the needs of our business and have forged strong relationships with the management team by coming to site on a regular basis.

I have always found the Staff Direct 4 U team to be both professional and approachable and would recommend them if you are looking to partnership with a supplier who cares about getting things right.
